

Logging in to Shaping North Ayrshire

It's easier than ever to log in to Shaping North Ayrshire!

To create a PB application or other proposal, you must log in using your email address, which you can do with:

- A username and password you set up for Shaping North Ayrshire specifically
- Your Facebook account
- Your Google account

To vote in PB, comment on a consultation or participate in a poll or debate, you can log in using any of the following options:

- A username and password you set up for Shaping North Ayrshire specifically
- Your Facebook account
- Your Google account
- A National Entitlement Card or Bus Pass
- A Young Scot Card
- A North Ayrshire Library Card
- A temporary username and password issued to you by North Ayrshire Council staff

If you have previously created a username and password for the site, this will enable you to take part in any open processes - there's no need to create a new account for every application or consultation response you submit. The site will remember your email address from previous visits, and if you have forgotten your password (we're all human!), there will be an option to reset this as you would for other websites.

Using an ID card, Facebook or Google? Head straight to 'Sign In'.

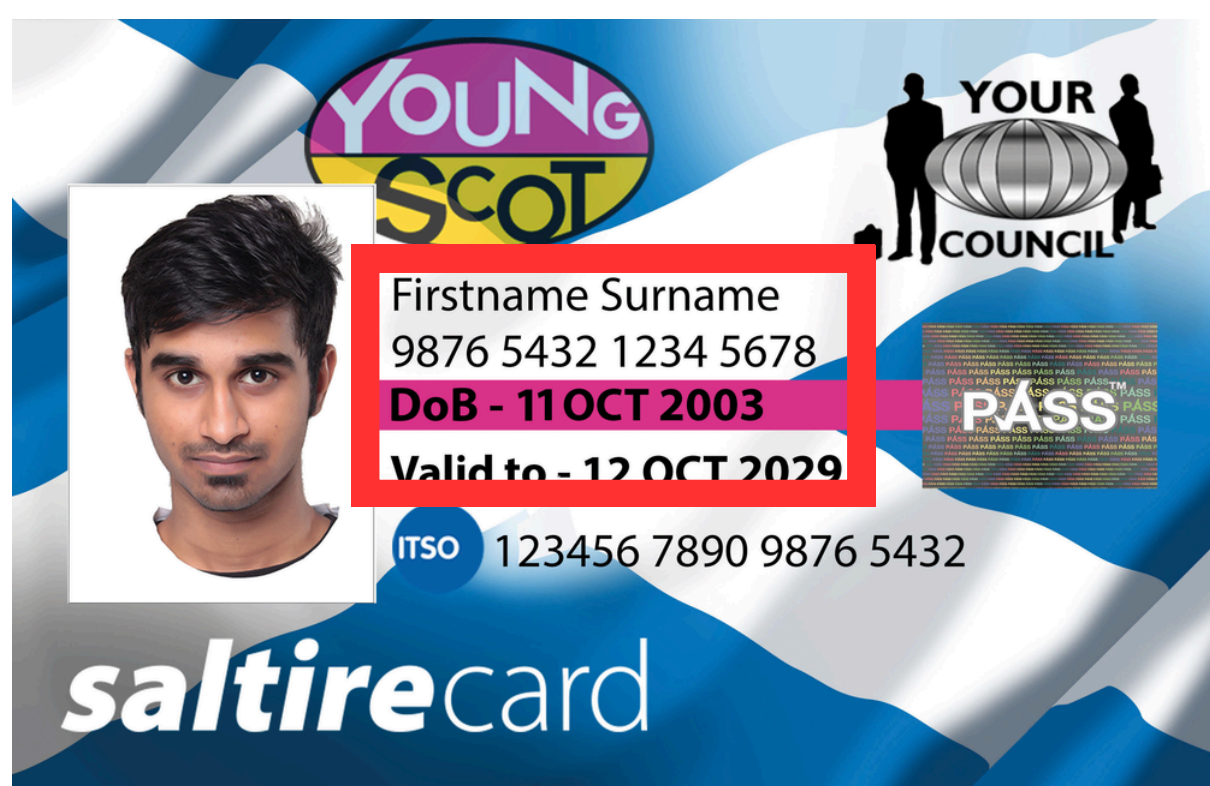

Setting up a new account with your email? Go to 'Register' and 'Sign up as an individual'.
