STATISTICS

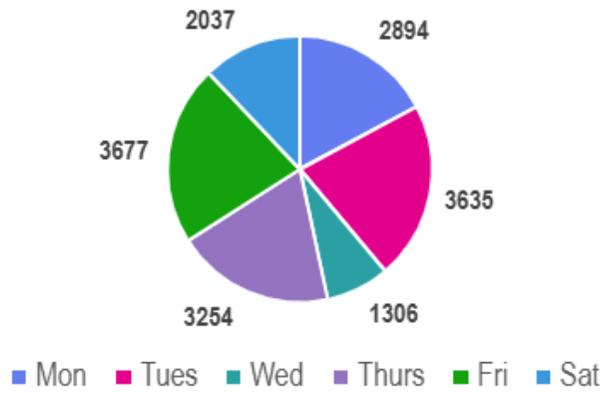

The pie charts below show -

- the number of books issued each day
- how many sessions took place on public computers
- how many visitors came into the library.

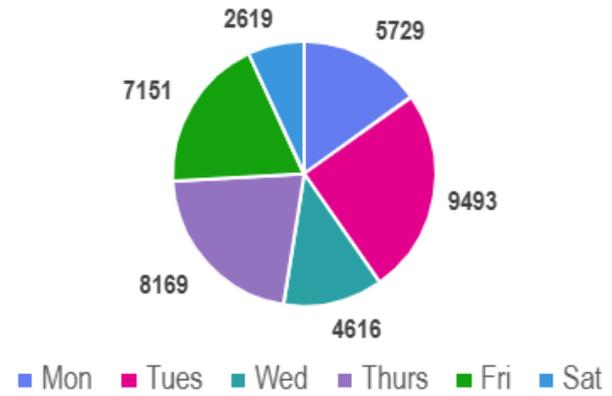

They show the interactions that took place each day the library was open in the last 12 months.

These stats indicate that a Tuesday and Friday are the busiest day for borrowing books and a Tuesday and Friday for PC sessions. Tuesday and Thursday are busiest with visitors. These statistics were taken into consideration and the heat maps below support to decision to reduce the hours on a Tuesday and extend the hours on a Wednesday and Saturday.

Events

Our statistics also show that from April - September Kilwinning Library hosted 1067 events which involved 8 of our regular partners, 8 regular community groups and 10 groups led by the library staff. Changing the opening hours would not impact on any of the partners or community groups as they already key hold.

Wi-Fi Sessions – 20,873 sessions in previous 12 months

The public Wi-Fi will remain available 24/7 however, the ability to Wi-Fi print will be impacted by the proposed changes.
