STATISTICS

The pie charts below show -

- the number of books issued each day
- how many sessions took place on public computers
- how many visitors came into the library.

They show the interactions that took place each day the library was open in the last 12 months.

These stats indicate that a Tuesday and Friday are the busiest days for borrowing books and for visitors to the branch. The PC sessions show that the busiest days are Monday and Tuesday. We propose to change the opening hours slightly as the later night opening is ness busy and move these hours to extend the Friday and Saturday opening.

Events

Our statistics also show that, between April and September Millport Library hosted 124 events which involved 7 groups led by the library staff. Changing the opening days would impact on 1 library led group which can easily be switched to another day.

Wi-Fi Sessions – 9,283 sessions in previous 12 months

The public Wi-Fi will remain available 24/7 however, the ability to Wi-Fi print will be impacted by the proposed changes. This service would be available in Ardrossan and Largs libraries on the days West Kilbride Library is closed.
